Dear Sirs and Madams,

As a resident of Grants Pass, living in a rural area where the disparity among the residents is hugely disproportionate, I am imploring you to keep vote by mail! Many of the residents live outside of the main town, they don't have reliable transportation and they don't have access to Uber or Lyft; many don't have the money to put gas in their cars and some don't have a car that runs reliably. Doing away with Vote By Mail truly becomes a "voter suppression" issue when you examine it under this viewpoint. Please keep Vote By Mail in place. The U.S. needs systems in place to encourage participation in carrying out our Civic Duties.

Sincerely,
Rosa Kiser
