

Submitter:

John Williams

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I'm writing to oppose Republican efforts to halt mail-in voting. I oppose SB 210. Republican efforts have nothing to do with safe elections or ballot accuracy, as they claim, since no such problems exist with Oregon's long, successful use of mail-in voting. True conservatives love mail-in voting because it saves money and time. Let's keep saving money and time. Respectfully, John F. Williams
