Hello,

I am writing to tell you That I am staunchly opposed to the anti-Vote By Mail measure. I feel that Oregon has the best voting system in the United States. Being able to spend time researching the measures at home, and voting at my table is amazing. It is secure, and well supported by history of excellently run elections. I urge you to consider the negative impact of fewer people voting. The more difficulty for the voters is participate lowers the democratic system we are so proud of in Oregon.
