

Submitter:

Susana Silva Strommer

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I cannot believe that the Oregon Senate is even considering SB210. For many years Oregon has been a national leader in secure mail in voting. There are no upsides to returning to in person, day of voting. Mail in voting increases access, participation and saves the state money. I do not support this bill!
