Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose elimination of mail-in voting. Democracy requires as many participants as possible to ensure the winning party correctly represents a majority of the population. Oregon has successfully, and without fraud, conducted mail-in voting for many years. It's absurd to require all voters be available in a specific spot for a limited period of time on a specific date. Our lives are busy. Don't make voting more difficult.
