Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail is vital to rural Oregon, allowing folks to participate in elections in a secure manner. Do you want to stifle the voices and choices of rural Oregonians? What will one day voting achieve? Why now? If vote by mail has been successful in the past what is the reason/imperative to change it. How does it benefit you if it doesn't benefit me as a voter?
