SB210

Please vote no on stopping our right to vote by mail. This is the most efficient way that allows American citizens in Oregon to vote. It makes it possible for those who cannot make it easily to the polls. This will result in long lines and wait times that not everyone is able to do. Cause more staff needed at the polls. Why would we make voting more difficult? The intent of this bill is to limit the amount of people that can vote. It is critical that we do not infringe on the right to vote of American citizen in Oregon or anywhere.
