

Submitter:

Lian Moy

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose SB210 in its attempt to remove mail-in voting system. It removes easy access to voting in many areas and may prevent people from voting in future elections. Why make it harder for people to vote? Why remove Oregon's vote-by-mail system if it has been working so well? Please oppose SB210 and keep Oregon's mail-in voting system.
