SB210

I completely oppose the requirement for making voting in person the standard. I am not aware of any issues that have arisen over the years regarding the ability to vote by mail in Oregon. The ability to vote by mail has for years been a considerable convenience for a majority of voters, including myself. I volunteer as a Meals on Wheels driver and see the number of people that are unable (due to disabilities, etc) or have no means of transportation in the area where I live. This ruling potentially discounts (albeit unfairly) the votes of these people. Please do not allow this ruling to pass.

Thank you,
Claire Wiggins
