Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote NO on requiring in- person voting.

1. Vote by mail is SAFE and the most convenient way to vote.
 2. Why make it harder for both Republicans and Democrats to vote? What about people who cannot drive?
 3. Oregon has perfected the system so there's hardly any fraud; and that is corrected quickly.
 4. Oregon got this right!!!
- Do not abolish vote by Mail.
