Measure, Appointment or Topic:	SB210

I hope you will consider passing SB210. In-person voting is the most safest and sure way to conduct elections. For years Oregon has been one-party governing in the state. One day, in-person with valid identification will make certain every Oregonians' voice is heard. Current mail-in voting through the post office cannot properly adhere to Chain-of Custody requirements that should be with any ballot for any election. The diminished lack of trust in our elections has been the biggest act of Voter Suppression in our time. Combined with the recent Presidential Executive Order, this bill will be necessary to bring Oregon into compliance with Federal actions.
