

Submitter: Windy Gormand

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I strongly opposed removing vote by mail. As a postal employee we make every effort to ensure Ballots are handled correctly and effectively to our customers. Vote by mail allows those that are unable to get to a voting location to vote from the comfort of their home. They are able to cross reference the voters pamphlet and ensure they are voting as the wish.

Please vote no on removing vote by mail in Oregon.
