SB210

I am writing to express my strong support for mail-in voting and to oppose any efforts to make in-person voting the only option. Mail-in voting allows all eligible voters, including those with mobility issues, health concerns, and busy schedules, to participate in elections easily and safely.

Restricting voting to in-person only would make it harder for many people, especially vulnerable groups, to cast their ballots. It's important that every citizen has a fair and equal opportunity to vote, and mail-in voting is a vital part of that.

Please stand up for voting rights and ensure that mail-in voting remains an option for all.

Thank you for your consideration.
