Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As an Oregonian, I am writing to strongly oppose this measure. As a small business owner, finding the time to vote in person, and making sure my staff can as well, is challenging. Vote by mail makes it so that I can vote when it is convenient for me, and I don't have to harm my business in order to go in person to vote. Protect vote by mail and reject this measure.
