Measure, Appointment or Topic: SB210

This bill would limit the ability of many legal voters to exercise their right to vote. The elderly, the disabled, the working poor, those without flexibility to leave their jobs to vote! I have been an active voter in every single election since I turned 18 and am now in my 7th decade. Oregon's current voting system is safe, inclusive and fair! This bill would deliberately impact ALL legal citizens their opportunity, ability and responsibility to vote!

I absolutely oppose this bill!
