

Submitter:

Megan Anderson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This bill restricts voting access for those who are unable to physically make it to in person voting locations (those with disabilities, a lack of transportation, parents who are unable to secure childcare for young children, etc).

In an administration that seeks to strip as many rights from its citizens as possible, fight for Oregonians rights and vote NO.
