SB210

To Whom It May Concern -

I have been a resident of Oregon for 35 years and have been proud of Oregon's vote-by-mail system since the first state-wide election in 1993. Oregon's voter turnout rates are the highest in the country because of the ease of the vote-by-mail system. Banning vote-by-mail and returning to in-person only voting will make it much harder for many Oregon citizens to make their vote be counted. The only reason this bill has been introduced is because Donald Trump doesn't want to make it easy for citizens to vote.

It's NOT what OREGONIANS want.
