

Submitter:

Megan Vowell

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I believe that returning to in person voting will decrease voter participation by making voting less accessible to disabled Oregonians, like myself, as well as other populations such as the elderly, caregivers, those with transportation challenges or who cannot afford to take time off work among others. Voting in favor of this bill is voting to disenfranchise thousands and thousands of Oregonians who legally have the right to vote.
