Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

I SUPPORT SB 210!

In person voting and voter ID will ensure voting integrity and hinder fraud that I have personally seen.

Also, so much fraud has been exposed in the last couple years, this would restore my faith in the system.

All those against voter ID are using allegations are aren't even true.

Those pushing against this bill have to be those who do not want a fair election.

I implore you to pass this bill.
