

Submitter: Charles Bates

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in voting is very important to us, my wife and I, as it makes it far easier to vote. We don't drive very much anymore so it is far more convenient than driving to a polling place. Oregon has been a pioneer in mail in voting since 1998 and it has served us well. The Trump regime wishes to end mail in voting to limit voter participation. The congressmen who put forth this bill should be ashamed.
