Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail has been ground breaking in expanding access to voting and increasing citizen engagement. It gives everyone time to consider the ballot and materials in depth. It eliminates the need for long lines and missed work on Election Day. It helps ensure thoughtful, reasoned responses to issues and candidates. We are a model for the country.

Efforts to change back are efforts to minimize options for voting are foolish and evidently meant to discourage voters from participating in our democratic processes.
