Karen Mrozek

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose SB210 requiring in person voting on Election Day. This is a direct form of voter suppression. This is intentional on the part of Republicans and they know this, again trying to push their agenda from the present oligarchs in the White House. Shame on the Republicans, they absolutely are aware this will make voting harder to access by so many Americans, and that is their goal.
No, No, No I OPPOSE this bill.
