Measure, Appointment or Topic: SB210

As a long time Oregon resident and healthcare professional, I support mail-in voting so as to continue to ensure our vulnerable populations can exercise their constitutional rights and have their voices heard. Suppressing voter turnout in this way is a cowardly tactic to swing elections. And the stated reasoning for ending mail-in voting is not supported by actual facts, something we as Americans have previously cared greatly about. I oppose SB 210 as it will negatively impact a great number of constituents to exercise their constitutional rights.
