Measure, Appointment or Topic:

SB210

I oppose SB 210. This bill will make voting much more difficult for working Oregonians and the elderly. We need to keep mail in voting as it has worked wonderfully for many years and Oregon has lead the way to make voting easier to participate in. We don't want to go backwards. Please stand up for what democracy stands for and keep our elections open and easy for all people to participate in, oppose SB 210.
