Voting by mail is the most democratic of Oregon laws. To repeal our ability to vote by mail would be to undermine all of our voices, not to mention put us all at risk as the computerized voting machines are notoriously insecure. There is nothing more secure than a paper ballot, hand counted by humans as many times as it takes to ensure that our vote is our own true desires made manifest. Everyone should have an equal opportunity to cast their ballot. Everyone should have an opportunity to have their vote actually counted, and unchanged via an unelected bureaucrat, foreign hackers, or the whims of a tyrannical leader.
