

Submitter:

Jason Prescott

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am for in person voting with Oregon issued ID to prove who you are . I believe we need to restore the trust and integrity our voting system as I feel like know one believes or trusts the outcomes of todays voting. I believe the current status quo on the way we vote is prone to cheating and I feel like people are getting away with mailing in fraudulent ballots to change the measure or people being voted for in their favor.
