Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I have voted by mail in Oregon since we moved here 20 years ago. The system works, I have no concern for fraud and I feel my vote is counted. Voting by mail allows all citizens, who want to participate, to do so, without prioritizing a certain block of voters. This is what allows a representational government to function. I strongly oppose this bill as it will increase cost, reduce voter participation and reduce the efficacy of our government.
