The ability to vote by mail is one of the things that makes living in Oregon awesome! It means that I don't have to take unpaid time off work and go wait in line so I can cast my vote. I love that I can take my time and think through the ballot, researching the different people and initiatives and make the best, most informed vote that I can, because I can do it by mail. I'm a more thoughtful and wise voter because I'm allowed to vote by mail. Please don't take this amazing resource away from us!
