

Submitter:

Rebekah Reeves

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

03-30-2025 I Rebekah Reeves am against the new legislation that has been introduced to end our right to vote by mail . This is unconstitutional and against everything that is sacred. Our right to vote gives us power us power to protect our selves and maintain our freedom. If we loose this right democracy will be dammed forever. Sincerely Rebekah Reeves
