

Submitter: Kalden Gilbert

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Dear Oregon Senate Committee & all whom it may concern,

My name is Kalden Gilbert and I am a resident of Bend, Oregon. I oppose senate bill 210 because I have found the ability to vote by mail very convenient and also rather secure. I have plenty of trust in our mail system to deliver with haste and accuracy and do not see the positive impacts this bill will have in any regard. Thank you for your time.

Sincerely,
Kalden Gilbert
