

Submitter:

Mark Marzullo

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please do not allow our vote by mail system go away. This is the best method for various reasons. It allows ease of voting, time to review candidates and ballot measures. It makes it easy for working people, the elderly, disabled, those without transporting etc to vote. This is a GOP ploy to restrict voting. Do not take this away from Oregonians.
