

Submitter:

Anne Fraver

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting has worked well for the state of Oregon, is financially more economical than in person voting, and is fairer - giving all of the population of Oregon voters an equal chance to vote. I can only see this as a partisan attempt to take away the ability of some voters to participate in our "government of the people".
