Measure, Appointment or Topic:	SB210

Why has this hearing not been more publicized? This is the first that I have heard about it (from a post on Next Door Neighbor). Please, we need more information on this proposal. Are the democrats sponsoring this in response to Trump's takeover of the post office or are republicans sponsoring this to suppress voting? Who is proposing/sponsoring this change in voting methods? Why? I can't take a position until I learn more. Please provide more public information.
