

Submitter:

Olivia Cameron

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail has made voting accessible for millions of Oregonians who would otherwise have difficulty submitting their ballots due to work or other life commitments, distance to travel to voting stations, etc. This bill is meant to align Oregon with voting suppression tactics pushed forth by the Trump Administration, and I vehemently oppose this bill. VOTE NO ON SB210.
