Committee: Senate Committee On Rules E-Mail address corrected.

Position: Oppose

Testimony:

Dear Chair Jama, Vice Chair Bonham, and Members of the Committee.

My name Jaime Carleton and I am a Civil Rights Activist and Oppose this bill because it violates elderly citizens and other Citizens Civil Rights to be able to vote.

Oregon has always been a leader in implementing a vote by mail system that includes more eligible people to vote by receiving their ballots by mail and being able to have their Civil Rights to be able to vote.

I am concerned that this bill is facist because it excludes the most vulnerable citizens to be able to vote therefore violates their civil rights.

Elderly and other protected classes of citizens need accessibility to cast their vote.

All Oregonians deserve an equal opportunity to participate in a voting democratic process.

Low income individuals also need to vote by mail as they are working 2 or more jobs to pay for their basic needs.

Please oppose SB210 because it is a facist idea to stop the most vulnerable citizens from voting, and every citizen should be able to vote by mail.

Thank you,

Jaime Carleton
