To Whom It May Concern:

I am writing in opposition to SB 210. I have been voting by mail since it first moved to Oregon in 2013. I am now 77 years old. It has always been a secure, reliable, fair and convenient way to participate in our democracy. I believe this bill is intended as a political tool to discourage voting and it would definitely make it more difficult for me to vote and I'm guessing many others of my age or older. Please continue encouraging all citizens to vote. Vote against SB 210.

Thank you
