

Submitter:

Carl Bybee

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Democracy works when everyone affected by the decisions of government have a say in electing that government. Mail-in voting has been a success in making it possible for more Oregonians to have their say in choosing who will represent them. This bill undermines the rights of Oregonians to meaningful self-government. It must be strongly opposed.
