Measure, Appointment or Topic: SB210

I am vehemently opposed to eliminating vote-by-mail in Oregon. In recent years the courts have determined that there is no proof of widespread voter fraud. Some members of Oregon's Legislature, in support of Trump and his band of oligarchs, simply want to make it more difficult for eligible voters to cast their ballots. The rich are basically buying elections in this country. Today Trump again expressed the crazy desire to become a third-term president. We must do everything possible to stop any and all attempts to destroy our democracy. This bill is a way to gerrymander without drawing lines on the map.

The vast majority of Oregon voters have already made it clear that they want mail-in voting. We have one of the best voting systems in the U.S. Removing vote-by-mail would have a detrimental impact on many voters, particularly our elderly and disabled citizens.

Please stand up for what is right for the citizens of this state. Leave our gold-standard voting system in place. Vote NO on SB 210.
