On Behalf Of:  
Committee: Senate Committee On Rules  
Measure, Appointment or Topic: SB210  
To Whom it May Concern:

I am writing to you to express my strong opposition to the proposed bill SB210 that would effectively remove the vote by mail system in Oregon. I vote via this method and appreciate and rely on the convenience of being able to vote by mail. I am concerned that removing this provision will make it much more difficult for myself and others to vote.

Additionally, I am extremely concerned that the proposed bill is yet another attack on democracy in an attempt to reduce and remove the freedoms and rights of American citizens.

I encourage all discussing this matter to consider the importance of protecting the vote by mail system and once again strongly express my opposition to SB210.

Thank you for your time and consideration. Please make the right choice.
