Dear Oregon Senators,

My name is Zoe Davis, and I was born and raised in Oregon. I'm proud to have mail in voting in our state. I believe that voting by mail allows Oregonians the flexibility to vote at their convenience and take time to do the research they need to make informed

Voting in person on election days restrict voices. Tuesdays are difficult for all people to find time after work, find childcare, and find transportation to get to the polls. In turn only the privileged get to vote, and only the privileged will be rewarded by that. Our most vulnerable Oregonians will not have a voice with in person voting.
