SB210

Oregon's vote by mail system has proven to be safe and secure for over 25 years. It was instituted by a 2-to-1 margin in a statewide popular vote. I think it may be safe to assume that this bill is opposed statewide by a similar margin. It provides a secure and convenient manner of voting for people who would have difficulty making it to a polling station at a particular time on election day. Consider remote rural locations and working families for example. There is absolutely no reason to change our vote by mail system simply because members of a far right-wing cult want to please their dear leader. Please reject this unwanted and unnecessary attempt to subvert Oregon's election system. Vote NO on SB 210. Thank you.
