

Submitter:

Belinda Coalman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I support SB210

At a time when voter confidence is very low, bringing back in person voting would restore integrity in our elections. It would also bring back a sense of pride and civic duty. I also think it would be reasonable to make election day a state holiday to ensure everyone has an opportunity to participate.

Thank you,

Belinda Coalman
