SB210

Here is my Testimony

I am in support of vote by mail. I am opposed to this bill. Vote by mail allows Senior Citizens and people with disabilities to vote. It also makes voting easier for everyone. Voting is truly private and can be done from the comfort of your home.

I believe more voices are represented and there is no voter intimidation. Vote by mail reduces long lines and people having to miss work. Everyone should have the right to vote by mail.

Thanks,

Lisa
