

Submitter: Jill Sweney

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I strongly oppose SB 210. I work in a field with 90% shift workers. Half of them would not be able to vote if it wasn't for Oregon's fair and proven mail-in ballot system. The result of SB 210 passing would be fewer votes submitted from working class folks. Voting shouldn't be a luxury when it is our right.
