I am opposed to Senate Bill 210. Oregon currently has one of the best functioning voting systems of any state, allowing people to vote from home and mail in their ballot, or drop it off at their local secure drop box. This is especially essential for Rural Voters. No long drive, no long lines, no conflicts with accessibility, job schedules, childcare, etc.

There is no need to spend taxpayer dollars on this bill, when we have a successful and secure voting system in place. It would make voting more difficult for Oregon residents, and would destroy a voting system that has been working well for decades. I oppose SB 210.

Thank you!
