On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Dear Chair Jama, Vice-chair Bonham and members of the committee. My name is Sylvia Banks and I am a constituent from Albany. I strongly oppose this bill.

I have voted in 4 other states, all of which have same day voting as the standard method. I feel that the Oregon method of mail-in/drop off ballots is a much superior method. I appreciate the ability to carefully look over the ballot and review the voter's pamphlet at my dining room table while I am making my decision without the pressure of having someone else waiting in line behind me. I am now retired, but while I was working, it would have been difficult to get to the precinct before it closed because I commuted over an hour each way to my place of employment. I appreciate that I can drop off my ballot at my convenience within the period that the polls are open.

I feel that our current method of mail-in/drop off voting has worked beautifully for many years. It's not broke, so don't fix it.

Please vote NO on SB210.

Thank you - Sylvia
