Senate Committee on Rules,

The convenience of voting by mail should NOT be taken away from long time standing voters like us. My husband and I have been voting for over 50 years. Voting by mail allows us to read and discuss each person running for office and each bill before we vote. We love the time we are able to commit to the process in the comfort of our home. Please don't take this away from us. I understand the amount of work to get new idea passed. In fact, I was instrumental in helping pass the Bottle Bill of Oregon and worked on the committee in the 70's to aid Tom McCall.
