SB210

I oppose the idea of eliminating mail in voting on Oregon. This would make it difficult for many elderly, disabled or rural voters to cast their ballots. Many people cannot come in to vote in person on election day, and they deserve for their vote to be counted! Despite what Donald Trump says, voter fraud is rare. The options that Oregonians have currently to vote in person, mail in the vote, and put a ballot in an official drop box work just fine. This bill is just another attempt by Trump and the Republicans to suppress the vote of certain groups of Americans!
