Measure, Appointment or Topic:	SB210

David Brock Smith can take his useless idea of taking away Vote-by-Mail and send it back to Port Orford along with himself as well. There is absolutely NOTHING wrong with our current vote-by-mail system, and it should be left alone. This is simply a way for Republicans to reduce the amount of votes casted so they have a chance of winning on Election Days. That's all it is.
