SB210

I oppose SB 210 - Oregon has been using mail-in voting for 25+ years. It is a safe, secure method that allows Oregonians to take part in free, fair elections with no evidence of widespread fraud.

If SB 210 were to pass, this would mean Oregon spending money & time on creating new systems rather than utilizing the safe, secure, easy system we already have in place.

Let's do the common sense thing - keep our mail-in voting safe, simple, and not spend unnecessary time & money on something new when what we have works.
